4.3 Compensation Protocol

(1) Class Counsel will draft the Compensation Protocol, to be approved by the Courts. The Defendants shall have no involvement in the formulation, drafting, or approval of the Compensation Protocol, except that the parties have agreed that injuries occurring in persons who started using or filled a prescription for Invokana Product(s) after the following dates (based on addition of relevant warning language to a Dear Health Care Professional Letter or Product Monograph) will not qualify for compensation: for acute kidney injury claims, after January 25, 2016; for diabetic ketoacidosis claims, after May 31, 2016; and for limb loss claims, after September 6, 2017. Notwithstanding the foregoing, the Compensation Protocol may provide compensation where the injury occurred within three (3) months after the relevant date above in a person (i) who started using an Invokana Product at least 30 days before such date and (ii) who used it continuously from such date to the time of the injury without having either attended his or her prescribing physician or had their prescription renewed otherwise. Subject to the foregoing, Class Counsel may consult with the Defendants and/or Defendants' Counsel to formulate the Compensation Protocol at Class Counsel's sole discretion.

(2) Upon approval by the Courts, the Compensation Protocol will be provided to the Claims Administrator for use in determining the amount each Class Member may be entitled to by way of recovery from the Net Settlement Proceeds.

4.4 Claims and Claimants

(1) Class Members and Provincial Health Insurers shall be eligible for the relief provided for in this Settlement Agreement and the Compensation Protocol, subject to their terms.

4.5 *Cy Près* Distribution

(1) Any *de minimus* funds remaining after distribution of the Net Settlement Proceeds pursuant to the Compensation Protocol, whether as a result of failure of Class Members to make claims or as a result of cheques having become stale dated and/or such other forms of payment as may be made to Settling Claimants and which may otherwise expire without having been claimed, shall

be distributed to an organization to benefit diabetic health and research, as proposed by Class Counsel and the Defendants and approved by the Court.

(2) The Act respecting the Fonds d'aide aux actions collectives, CQLR c F-3.2.0.1.1 will apply to the portion of any remaining balance, if any, attributable to Class Members resident in Quebec.

4.6 Distribution of the Settlement Amount

(1) On or after the Effective Date, the Claims Administrator shall distribute the Settlement Amount to the Settling Claimants and Provincial Health Insurers in accordance with the Compensation Protocol, after payment of the following from the Settlement Amount:

- (a) 10% of the Settlement Amount will be allocated to the Provincial Health Care Recovery Fund;
- (b) Class Counsel Legal Fees, as approved by the Courts;
- (c) all of the costs and expenses reasonably and actually incurred in connection with the provision of Settlement Approval Notice in accordance with the Notice Plan;
- (d) any remaining Claims Administration Costs, including the professional fees of the Claims Administrator; and
- (e) any taxes required by law to be paid to any governmental authority.

(2) Payments made to the Provincial Health Insurers from the Provincial Health Care Recovery Fund shall be in full and final satisfaction of all Provincial Health Insurer Rights of Recovery they may have in relation to Settling Claimants' use of Invokana Product(s) pursuant to the legislation of each jurisdiction, whether insured services were already provided or are yet to be provided to Settling Claimants.

(3) In order to receive a payment, a Provincial Health Insurer must execute the Provincial Health Insurer Release.

SECTION 5 - TERMINATION

5.1 General

(1) Termination rights are as follows:

(a) The Defendants shall have the right to terminate this Settlement Agreement in the event that:

- (i) the Opt Out Threshold is exceeded;
- (ii) any of the Provincial Health Insurers do not both confirm their approval of this Settlement Agreement and provide the statutorily required consents and approvals, and Provincial Health Insurer Release; or
- (iii) the Dismissal Order is denied and, following appeal, the denial of the Dismissal Order becomes a Final Order;

(b) Each of the Parties shall have the right to terminate this Settlement Agreement in the event that:

- (i) any Settlement Approval Order is denied and, following appeal, the denial of the Settlement Approval Order becomes a Final Order;
- (ii) any Settlement Approval Order is entered but reversed on appeal and the reversal becomes a Final Order; or
- (iii) any Court approves this Settlement Agreement in a materially modified form that is not agreed to by both the Parties.

(2) Any order, ruling or determination made (or rejected) by the Courts with respect to the Compensation Protocol (other than the qualification end dates in sub paragraph 4.3(1) above) or Class Counsel Legal Fees shall not be deemed to be a material modification of all, or a part, of this Settlement Agreement and shall not provide any basis for the termination of this Settlement Agreement.

(3) In all cases, failure of the Defendant to pay the Settlement Amount in accordance with this Settlement Agreement shall be grounds to terminate the Settlement Agreement.

(4) To exercise a right of termination, the terminating party shall deliver a written notice of termination to counsel for the other party within 30 days of the event giving rise to the right to terminate. Upon delivery of such a written notice, this Settlement Agreement shall be terminated and, except as provided for in sections 5.2 and 5.3, it shall be null and void and have no further force or effect, shall not be binding on the Parties, and shall not be used as evidence or otherwise in any litigation.

5.2 Effect of Termination

(1) In the event this Settlement Agreement is terminated in accordance with its terms:

- (a) it shall be null and void and shall have no force or effect, and the Parties shall not be bound by its terms, except as specifically provided in this Settlement Agreement;
- (b) any order approving this Settlement Agreement shall be set aside and declared null and void and of no force or effect, and everyone shall be estopped from asserting otherwise;
- (c) all funds in the Trust Account (including accrued interest) shall be returned to Defendants' Counsel within 10 days after the date of termination and no further deposits shall be made into the Trust Account.
- (d) all negotiations, statements and proceedings relating to this Settlement Agreement shall be deemed to be without prejudice to the rights of the Parties, and shall not be used as evidence or otherwise in any litigation;
- (e) the Defendants shall reimburse Class Counsel for the Non-Refundable Expenses, if, and only if, the Defendants elect to terminate pursuant to Paragraph 5.1(1)(a) or Subparagraph 5.1(1)(b)(iii); and
- (f) the Parties shall be returned to the position they were in immediately before the Settlement Agreement was executed in respect of all of the Proceedings.

5.3 Survival

(1) Notwithstanding section 5.2(1) of this Settlement Agreement, if this Settlement Agreement is terminated, the provisions of this section, and sections 2.6, 3.2, 5, 7.1 and 7.2, and the definitions applicable thereto of this Settlement Agreement, shall survive termination and shall continue in full force and effect. The definitions and Schedules shall survive only for the limited purpose of interpreting these sections of this Settlement Agreement, but for no other purposes.

5.4 Accounting

(1) If this Settlement Agreement is terminated after the Settlement Amount has been paid pursuant to section 4.1(1), Class Counsel shall immediately return the Settlement Amount to the Defendants less the Defendants' portion of Non Refundable Expenses and account to the Court and the Parties for all payments made from the Trust Account in respect of such Expenses by no later than fifteen (15) days after such termination.

5.5 Termination Orders

(1) If this Settlement Agreement is terminated, Class Counsel shall, within thirty (30) days after termination, apply to the Courts, on notice to the Claims Administrator, for an order:

- (a) declaring this Settlement Agreement null and void and of no force or effect except for the provisions of those sections listed in section 5.3(1) of this Settlement Agreement;
- (b) providing that any funds paid by the Defendants under the terms of this Agreement, other than those related to Defendants' portion of the Non-Refundable Expenses, shall be returned to Defendants by wire transfer within fifteen (15) days; and
- (c) setting aside the Certification and Hearing Notice Orders and the Settlement Approval Orders made in accordance with the terms of this Settlement Agreement.

(2) Subject to section 5.5(2) of this Settlement Agreement, the Parties shall consent to the orders sought in any motion made pursuant to section 5.5(1) of this Settlement Agreement.

(3) If there is any dispute about the termination of this Settlement Agreement, the Ontario Court shall determine any dispute by motion on notice to the Parties.

SECTION 6 - OPT OUT PROVISIONS

6.1 Opting Out

(1) Persons who have been prescribed Invokana Product(s) at any time on or before the date of the Certification and Hearing Notice Orders, and persons who by virtue of a personal relationship to one or more of such persons would have claims for common law or statutory damages, may exclude themselves from the Class.

(2) Persons described in section 6.1(1) above may exclude themselves from the Class by submitting a complete and signed Opt Out Form to the Claims Administrator in accordance with the Certification and Hearing Notice Orders, by the Opt Out Deadline. Under article 580 of the *Code of Civil Procedure* of Quebec, a class member eligible to opt out pursuant to section 6.1(1), who does not discontinue an originating application filed in Quebec having the same subject matter as the Quebec Proceeding before the time for opting out has expired, is deemed to have opted out.

(3) In the event that an Opt Out seeks to retain Class Counsel for any purpose related to the Proceedings, Class Counsel hereby agree to refuse to represent the Opt Out.

6.2 Opt Out Report

(1) The Claims Administrator shall provide Defendants' Counsel with a report advising as to the number of Opt Outs pursuant to section 6.1(2), the reasons for their opting out and details of the Opt Out's individual claim, if known, and a copy of all information provided, including the Opt Out Form, within thirty (30) days of the Opt Out Deadline. The Settlement Approval Hearings will be scheduled on dates that fall after such report is provided.

6.3 Defendants' Rights Reserved

(1) The Defendants reserve all of their legal rights and defences with respect to any Opt Outs.

SECTION 7 - EFFECT OF SETTLEMENT

7.1 No Admission of Liability

(1) The Plaintiffs and the Released Parties expressly reserve all of their rights if the Settlement Agreement is not approved, is terminated, or otherwise fails to take effect for any reason. Further, whether or not the Settlement Agreement is finally approved, is terminated, or otherwise fails to take effect for any reason, this Settlement Agreement and anything contained herein, and any and all negotiations, documents, discussions, orders and proceedings associated with this Settlement Agreement, shall not be deemed, construed or interpreted to be an admission of any violation of any statute or law, or of any wrongdoing or liability by the Released Parties, or of the truth of any of the claims or allegations contained in the Proceedings or any other pleading filed by the Plaintiffs. Further, this Settlement Agreement shall not be deemed, construed or interpreted to be any admission or evidence of satisfaction of any of the criteria for certification of a class proceeding in respect of any contested certification motion that may be brought absent this Settlement Agreement.

7.2 Agreement Not Evidence

(1) The Parties agree that, whether or not it is terminated, this Settlement Agreement and anything contained herein, and any and all negotiations, documents, discussions and proceedings associated with this Settlement Agreement, and any action taken to carry out this Settlement Agreement, shall not be referred to, offered as evidence or received in evidence in any pending or future civil, criminal or administrative action or proceeding, except in a pending or future proceeding to approve and/or enforce this Settlement Agreement, to defend against the assertion of Released Claims, or as otherwise required by law.

7.3 No Further Litigation

(1) Except with respect to the enforcement or administration of this Settlement Agreement, neither the Plaintiffs nor Class Counsel (whether directly or via local counsel in any Canadian Province or Territory) may directly or indirectly participate or be involved in or in any way assist with respect to any claim made or action commenced by any person which relates to or arises from the Released Claims. Moreover, subject to the other terms of this Settlement Agreement, the Plaintiffs and Class Counsel (whether directly or via local counsel in any Canadian Province or

Territory) may not divulge to anyone for any purpose any information obtained in the course of the Proceedings or the negotiation and preparation of this Settlement Agreement, except to the extent such information is otherwise publicly available (so long as the information does not become publicly available through a breach of this section) or unless ordered to do so by a court of competent jurisdiction.

SECTION 8 - RELEASES AND DISMISSALS

8.1 Exclusive Remedy

(1) This Settlement Agreement shall be the exclusive remedy for all claims by or through Class Members respecting their use of Invokana Product(s).

(2) On the Effective Date, each Class Member, whether or not he or she submits a claim or otherwise receives compensation, shall be deemed by this Settlement Agreement to have completely and unconditionally released, forever discharged, and acquitted the Released Parties from the Released Claims.

(3) Each Class Member, whether or not he/she/they submits a claim or otherwise receives a Claim Amount, will be forever barred and enjoined from continuing, commencing, instituting, prosecuting, seeking to claim or recovering any compensation of any nature or kind in any action, litigation, investigation, or other proceeding in any other forum, directly, representatively or derivatively, or as a class member, asserting against any of the Defendants any claims that relate to or constitute any Released Claims covered by this Settlement Agreement.

8.2 Third-Party Contribution or Indemnity Claims

(1) Class Members who commence or continue litigation against any person or entity who may make a claim for contribution and/or indemnity against any Released Party, shall limit the value and right of recovery of such claim against such person or entity to the quantum of damages, interest and costs apportioned against such person or entity severally and not jointly with any Released Party. Such Class Members will make best efforts to have any third party or other claims made against Released Parties for contribution and/or indemnity in respect of such litigation dismissed, at their expense, and hereby consent to any motion brought by a Released Party seeking dismissal of such a claim against it with costs payable by the Class Member to the Released Party.

(2) In the event that litigation commenced or continued by a Class Member who has not opted-out of the Proceedings results in a claim over or judgment against any or all of the Defendants and/or any other Released Party to pay any amount to any party, such Class Member shall then fully hold harmless, reimburse and indemnify the Defendants and/or other Released Parties for the full amount of such claim over or judgment, together with any interest, and counsel fees and disbursements incurred by Defendants and/or Released Parties in defence of such claims.

(3) To the extent that the provision of benefits to any Settling Claimant under this Settlement Agreement may give rise to a claim or potential claim for subrogation or reimbursement against Defendants and/or Released Parties by any person or entity other than a Provincial Health Insurer, the Settling Claimant with respect to whom such claim or potential claim relates shall be responsible for resolving such claim or potential claim prior to receiving any benefits under this Settlement Agreement.

(4) To the extent that any such claim for subrogation or reimbursement is asserted against Defendants and/or Released Parties by any person or entity other than a Provincial Health Insurer notwithstanding this provision, such Claimant shall then fully hold harmless, reimburse and indemnify the Defendants or Released Parties for the full amount of such claims, together with any interest, and counsel fees and disbursements incurred by Defendants or Released Parties in the defence of such claims.

SECTION 9 - SUBMITTING CLAIMS

(1) Claims shall be submitted by Class Members in the manner contemplated by the Compensation Protocol, or in any other manner approved by the Court.

SECTION 10 - LIMITATION DEFENCE

(1) Nothing in this Settlement Agreement shall constitute or be deemed to constitute a waiver by the Defendants or Released Parties of defences based on statutes of limitation or repose, prescription periods or any other limitation or prescription defence with respect to any Opt Out, or other person.

SECTION 11 - AMENDMENTS TO THE SETTLEMENT AGREEMENT

(1) The Parties may amend this Settlement Agreement in writing, by consent and upon approval of the Courts.

SECTION 12 - LEGAL FEES AND DISBURSEMENTS

12.1 Fee Approval

(1) Class Counsel shall bring a motion to the Courts for the determination of Class Counsel Legal Fees to be paid from the Settlement Amount.

(2) The approval of the Settlement Agreement is not contingent on the outcome of any motion regarding Class Counsel Legal Fees.

(3) Class Counsel shall not be precluded from making additional motions to the Courts for expenses incurred as a result of implementing the terms of this Settlement Agreement. All such amounts awarded shall be paid from the Settlement Amount.

(4) The Released Parties hereby acknowledge and agree that they are not parties to the motions concerning the approval of Class Counsel Legal Fees, they will have no involvement in the approval process to determine the amount of Class Counsel Legal Fees and they will not take any position or make any submissions concerning Class Counsel Legal Fees.

SECTION 13 - CLAIMS ADMINISTRATOR

13.1 Appointment of Claims Administrator

(1) The Parties will jointly propose a Claims Administrator to be appointed by the Court for the purpose of processing and classifying claims and paying claims as provided in this Settlement Agreement and under the authority of the Courts. The Claims Administrator shall follow the Compensation Protocol.

(2) The Claims Administrator shall be bilingual (French/English).

13.2 Investment Guidelines

- (1) The Claims Administrator shall invest all funds in its possession under this Settlement Agreement in the classes of securities provided in section 26 of the *Trustee Act*, RSO 1990, c. T 23.
- (2) All fees and costs of any custodian holding and/or investing such funds shall be paid out of the income of such funds and shall not be the responsibility of Defendants.
- (3) All taxes due and owing on investment proceeds shall be paid by the Claims Administrator from the settlement funds.

13.3 Confidentiality Obligations

- (1) The Claims Administrator and any person appointed by the Claims Administrator to assist in the processing of claims must sign and adhere to a confidentiality statement by which they agree to keep confidential any information concerning Class Members, and the Claims Administrator shall institute procedures to ensure that the identity of all Class Members, and all information regarding their claims and submissions, will be kept confidential and not be provided to persons except as may otherwise be provided in this Settlement Agreement or as may be required by law.
- (2) The Claims Administrator shall be subject to removal by the Court for cause. In the event of such removal, any successor Claims Administrator shall be identified and appointed as set forth in section 13.1(1).

SECTION 14 - MISCELLANEOUS PROVISIONS

PLEASE READ CAREFULLY. IGNORING THIS NOTICE WILL AFFECT YOUR LEGAL RIGHTS

This Notice contains a summary of some of the terms of the Settlement Agreement. All capitalized terms not otherwise defined have the meaning ascribed to them in the Settlement Agreement. If there is a conflict between the provisions of this Notice and the Settlement Agreement, the terms of the Settlement Agreement shall prevail.

NOTICE OF CERTIFICATION FOR SETTLEMENT PURPOSES

A Canada-wide settlement has been reached in three proposed class actions relating to the prescription drugs Invokana®, Invokamet®, and Invokamet XR®. This notice advises you that as a part of the settlement process, the following lawsuits (the “**Proceedings**”) have been certified/authorized as class actions for settlement purposes: *Estate of Raymond Duck v Janssen Inc. et al.*, Ontario Superior Court of Justice (London) Court File No. CV-18-0000570-00CP; *Ronald Allen Fiddler v Janssen Inc. et al.*, Court of Queen’s Bench for Saskatchewan (Regina) Court File No. Q.B.G. 2809 of 2015; and *Steven Varnai and Joanne Giroux v Janssen Inc. et al.*, Superior Court of Quebec (District of Montreal – Class Actions) Court File No. 500-06-000906-186.

These three Proceedings raised various allegations against the Defendants and sought damages on behalf of Canadians for harm and injuries which were allegedly related to the use of Invokana®, Invokamet®, and Invokamet XR®. The Defendants deny the allegations made in the Proceedings, make no admission as to the truth of these allegations and deny any wrongdoing.

The allegations made by the Plaintiffs have not been proven in Court and should not be considered in any way to be medical advice.

This Notice advises you of the certification/authorization of the Proceedings as class actions for the purpose of implementing the national Settlement Agreement (the “Settlement”) and of the hearings that will be held to decide whether the Settlement should be approved. You may attend the Settlement approval hearings. You can review the originating proceedings, the certification/authorization Orders, as well as the Settlement Agreement and related documents at the settlement website: <http://www.invokanacanadasettlement.com/> or you can contact the Court appointed Claims Administrator, Trilogy Class Action Services, at the address listed below.

Certification/authorization Orders for the purposes of settlement have been granted for the following Classes:

Ontario Class: (i) All persons resident in Canada as of [DATE OF CERTIFICATION], with exception of Saskatchewan Class Members and Quebec Class Members, who were prescribed and used Invokana®, Invokamet®, and/or Invokamet XR® in Canada at any time on or before [DATE OF CERTIFICATION]; and (ii) All persons, with exception of Saskatchewan Class Members and Quebec Class Members, who by

virtue of a personal relationship to one or more of such persons described in (i) above have claims for common law or statutory damages.

WHAT IS THE PROPOSED SETTLEMENT?

The Settlement provides for the creation of a \$1.5 million (CDN) settlement fund which will be used to pay the costs of notice and administration, compensation for approved claimants, the claims of provincial health insurers, and class counsel legal fees.

Payments to approved claimants will be made to Class Members who show that they experienced one or more of the medical conditions described below within the specified timeframes. Each medical condition will be assigned points by the Claims Administrator subject to various eligibility criteria. Net settlement proceeds will be allocated among the approved claimants in proportion to the cumulative points they are awarded under the Compensation Protocol. The Compensation Protocol can be found here: [LINK]. Not all Class Members will be eligible for compensation.

The types of medical conditions that may qualify Class Members for compensation include acute kidney injury, diabetic ketoacidosis, and lower limb loss. You may be eligible for compensation under the Compensation Protocol if you began using or filled a prescription for Invokana®, Invokamet® or Invokamet XR® prior to the dates below and experienced the relevant medical conditions prior to the dates below:

- for acute kidney injury, January 25, 2016;
- for diabetic ketoacidosis, May 31, 2016; and
- for lower limb loss, September 6, 2017.

You may also be eligible for compensation if you experienced the relevant medical conditions listed above within three (3) months after the corresponding dates above if (i) you started using Invokana®, Invokamet® or Invokamet XR® at least 30 days before said dates, and (ii) you used it continuously from that date to the time of the medical condition, without having either attended your prescribing physician or had your prescription renewed.

Compensation will also be paid to eligible Class Members estates. 10% of the Settlement Amount will be allocated to a Provincial Health Care Recovery Fund for the recovery of costs of insured health or medical services by the Provincial Health Insurers.

If the Settlement is approved, Class Counsel will make an application for class counsel legal fees of \$● to be paid from the Settlement Amount. Approval of the Settlement is not contingent on the outcome of any application regarding class counsel legal fees.

Any undistributed balance of the settlement amount as determined by the Claims Administrator will be donated, *cy près* to an organization(s) to benefit diabetic health and research, as approved by the Courts and advised by Class Counsel, subject to any amounts payable to the *Fonds d'aide aux actions collective*.

Class Members who do not opt out will be bound by the Settlement and the releases in it and will be entitled to share in any of the benefits that may become available to them as Class Members, provided that they proceed within the timeframes provided for in the Settlement to advance their claims.

Class Members **who opt out** will not be bound by the Settlement or the releases in the Settlement but will also not be entitled to share in any of the proceeds that may become available to Class Members as part of the Settlement.

INVOKANA® INVOKAMET® INVOKAMET XR® LITIGATION: NOTICE OF SETTLEMENT APPROVAL

PLEASE READ CAREFULLY. IGNORING THIS NOTICE WILL AFFECT YOUR LEGAL RIGHTS

This Notice contains a summary of some of the terms of the Settlement Agreement. All capitalized terms not otherwise defined have the meaning ascribed to them in the Settlement Agreement. If there is a conflict between the provisions of this Notice and the Settlement Agreement, the terms of the Settlement Agreement shall prevail.

NOTICE OF SETTLEMENT APPROVAL

This is a notice for Class Members in the following Proceedings: *Estate of Raymond Duck v Janssen Inc. et al.*, Ontario Superior Court of Justice (London) Court File No. CV-18-00000570-00CP; *Ronald Allen Fiddler v Janssen Inc. et al.*, Court of Queen’s Bench for Saskatchewan (Regina) Court File No. Q.B.G. 2809 of 2015; and *Steven Varnai and Joanne Giroux v Janssen Inc. et al.*, Superior Court of Quebec (District of Montreal – Class Actions) Court File No. 500-06-000906-186. The Proceedings raised various allegations against the Defendants and sought damages on behalf of Canadians for harm and injuries which were allegedly related to the use of Invokana®, Invokamet®, and Invokamet XR®. The Settlement of the Proceedings has been approved by the Courts.

WHO IS INCLUDED

The Settlement applies to: (i) all persons resident in Canada as of [DATE OF CERTIFICATION] who were prescribed Invokana®, Invokamet®, and/or Invokamet XR® in Canada at any time on or before [DATE OF CERTIFICATION]; and (ii) all persons who by virtue of a personal relationship to one or more of such persons described in (i) above have claims for common law or statutory damages.

SUMMARY OF THE SETTLEMENT

The Settlement provides for the payment of \$1,500,000, which will be used to pay approved claims, the related claims of the Provincial Health Insurers, the costs of notice and administering the settlement, and Class Counsel legal fees, disbursements, and applicable taxes.

The defendants deny all allegations and deny any wrongdoing or liability. The Court has not taken any position on the merits of the arguments of either the plaintiffs or the defendants, but has determined that the Settlement Agreement is fair, reasonable, and in the best interests of the Class Members. A term of the settlement is that the Proceedings will be dismissed or discontinued, which means that the lawsuit has come to an end, and there will be no trial.

PARTICIPATING IN THE SETTLEMENT

Class Members who satisfy the eligibility criteria set out in the Compensation Protocol may be entitled to benefits that will be calculated in accordance with the points system detailed in the Compensation Protocol.

Until all claims have been adjudicated it will not be possible to determine the exact value of the compensation that may be paid to eligible claimants.

The types of medical conditions that may qualify Class Members for compensation include acute kidney injury, diabetic ketoacidosis, and lower limb loss. You may be eligible for compensation under the Compensation Protocol if you began using or filled a prescription for Invokana®, Invokamet®, or Invokamet XR® prior to the dates below and experienced the relevant medical conditions prior to the dates below:

- for acute kidney injury, January 25, 2016;

- for diabetic ketoacidosis, May 31, 2016; and
- for lower limb loss, September 6, 2017.

You may also be eligible for compensation if you experienced the relevant medical conditions listed above within three (3) months after the corresponding dates above if (i) you started using Invokana[®], Invokamet[®], or Invokamet XR[®] at least 30 days before said dates, and (ii) you used it continuously from that date to the time of the medical condition, without having either attended your prescribing physician or had your prescription renewed.

Compensation will also be paid to eligible Class Members estates.

10% of the Settlement Amount will be allocated to a Provincial Health Care Recovery Fund for the recovery of costs of insured health or medical services by the Provincial Health Insurers.

Any undistributed balance of the settlement amount as determined by the Claims Administrator will be donated, *cy près* to an organization(s) to benefit diabetic health and research, as approved by the Courts and advised by Class Counsel, subject to any amounts payable to the *Fonds d'aide aux actions collective*.
